Sheraton would like us to sign a contract for 2013. We are concerned about our numbers due to the IHSAA providing online rules interpretation. Mike will not sign the contract unless the hotel is willing to reduce the number of hotel rooms that have to be reserved.

Steve Cotherman proposed that we contribute up to \$200 to advertise the meet on DyeStat – approved

Looking for coaches to help out with the girls all-star team – volunteer forms submitted at the clinic will be used to make contacts with some potential coaches

Hall of Fame – due by December 1st - need more female nominations

Contacting 2010 inductees, will post list online once contacts have been made

Proposed some new qualifying standards and start time for the first session

Also working on a different entry method that would simply declare entry and not allow coaches to enter times or distances.

IHSAA Issues and Concerns – Ken Browner

Ken has met with Phil Gardner of the IHSAA a couple of times

Last time Ken spoke with him the cross country tournament for 2009 will stay as it was in the 2008 season. The IHSAA is still looking at possible changes but would not be able to make them until the 2010 season.

Ken will be in contact with Phil again later this month.
